BVR’s Annual Guide to Fair Value in Shareholder Dissent, Oppression, and Marital Dissolution

Fair value is a complex and dynamic standard of value, requiring an up-to-date, comprehensive resource on the ever-changing case law, its definitions and determinations. This Guide is intended to help you combat the confusion in the courts and to eliminate the practitioners’ need for time consuming research.

This Guide Features:

• Timely articles by Shannon Pratt, Jay Fishman, Bruce Silverstein, Gil Matthews, Jim Alerding, Arthur Shartsis, and other leading experts on statutory fair value in shareholder oppression, shareholder dissent, and marital dissolution cases

• A comprehensive reference chart listing the dissent and oppression statutes in all 50 states – categorized according to how its case law typically addresses the application of discounts to fair value determinations

• A wealth of court case abstracts originally published in the Business Valuation Update™ newsletter pertaining to fair value in the corporate setting

• A searchable CD with approximately 140 of the most important full-text court cases involving fair value in shareholder dissent, oppression, and marital dissolution
